SING A SONG OF HARVEST

Sing a song of harvest,
 For fields of ripened grain,
 God's promise in the Scriptures
 Has been fulfilled again;"
 For while the earth remained,
 Snow, sunshine rain and hail
 Together reassure us
 That harvest will not fail"
 "Sing a song harvest
 While famine stalks the land,
 And countries once so fertile
 Resort to primal sand?"
 You surely must be joking
 To sing 'midst scenes like these
 Or blind to human sorrow,
 While living lives of ease!
 We can only sing of harvest
 If our words are matched by deeds
 Which satisfy God's purpose
 To satisfy the needs
 Of those who seek for justice,
 For means to grow their food,
 And freedom to develop
 Their lives as people should.
 So celebrate the harvest
 With singing and with joy,
 Rejoice in all God's goodness
 But hasten to deploy
 Resources He has given
 For those who suffer death
 So that His will in heaven
 May be done upon the earth.
